WELCOMING CELEBRATORY INSPIRING ADVENTUROUS IN MISSION

Your rigging hangs loose;
it cannot hold the mast firm in its place,
or keep the sail spread out
Isaiah 33.23:

I was reading something recently and it mentioned the "Winter Doldrums" and I wondered, "What exactly is a doldrum?" So I looked it up. The first definition was "equatorial calms" and that sounded like a tropical vacation to me. That can't be right. The second definition said that it is the region of the ocean where there are calm

winds – so calm that it can trap a sailing ship for days and even weeks at a time. Ah, that makes more sense. Even though we have had it pretty easy lately that sounds like February to me.

I remember another story about sailing and wind. In this story Jesus is asleep in the back of the boat when a storm blows in. Jesus' disciples are terrified and they wake Jesus up to calm the storm and save them. You could say that this story is the opposite of the doldrums.

I'm not sure which is worse: being in the boat when there is a frightening storm or being stuck in the boat that's stuck. One experience is all about anxiety and fear and the other seems to be more about depressing boredom. Either extreme are a challenge to deal with whether you're in a boat or in day to day living.

The disciples were glad that Jesus' was in the boat when they were afraid. His presence calmed the storm and calmed their fears. We aren't living on a boat, but we do have to deal with both the storm and the doldrums in our lives. But we aren't alone in having to face either of them. Like the disciples we too can depend on God to see us through.

Whether you are living with crises or winter doldrums it is good to know that you are not alone on the boat.

A great gale arose, and the waves beat into the boat, so that the boat was already being swamped.³⁸ But Jesus was in the stern, asleep on the cushion; and they woke him up and said to him, 'Teacher, do you not care that we are perishing?'³⁹ He woke up and rebuked the wind, and

said to the sea, 'Peace! Be still!' Then the wind ceased, and there was a dead calm. Mark 4:37-39

February Health Awareness

Heart Tidbits

Your heart is the hardest working muscle in your body because it works 24/7, therefore treat it well!!

* an adult heart beats approximately 115,000 times per day or 2.5 billion times in a lifetime

* every minute your heart pumps 5 quarts of blood through your vessels or 2,000 gallons per day or 1 million barrels during your average lifetime – enough to fill 200

train tank cars. A kitchen faucet would have to be turned on full blast for at least 45 years to equal the amount of blood pumped by the heart in an average life time

* an electrical impulse controls the rhythm of your heart, therefore it will continue to beat even when separated from the body as long as it has an adequate supply of oxygen

* every day, the heart creates enough energy to drive a truck 20 miles. In a lifetime, that is equivalent to driving to the moon and back

* the heart begins beating at four weeks after conception and does not stop until its natural death

* the heart pumps blood to almost all of the body's 75 trillion cells, the exception being the cornea's of your eyes

* your heart is approximately the size of your fist

* depression, as does excessive amounts of sitting, increases your risk of heart disease

* the earliest known case of heart disease was identified in the remains of a 3,500 yr old Egyptian mummy

* the fairy fly (a kind of wasp) has the smallest heart of any living creature

* the pygmy shrew is the smallest mammal with the fastest heartbeat at 1,200 beats/minute

* whales have the largest heart of any mammal

* most heart attacks happen on Monday and the most common day of the year is Christmas Day

* men's hearts weigh a few oz more than females and women's hearts beat slightly faster than males

* it is possible to have broken heart syndrome – cause by a rush of stress hormones from an emotional or physical stress event – having similar symptoms to a heart attack. Death from broken heart syndrome is very rare.

* stretching out your blood vessels would extend over 60,000 miles (enough to go around the world twice!)

* heart cancer is extremely rare as heart cells stop dividing

* laughing is good for your heart as it reduces stress and gives a boost to your immune system

* the "lub dub" sound your heart makes is caused by the valves of your heart opening and closing

* the giraffe has a lopsided heart with the left ventricle being thicker than the right as the left side has to get blood up the giraffe's long neck to reach their brain

* when the body is resting, it takes only 6 seconds for blood to go from the heart to the lungs and back, 8 seconds to go to the brain and back and only 16 seconds to go to the toes and back to the heart

* cocaine affects the heart's electrical activity and causes spasm of the arteries, which can lead to a heart attack or stroke, even in healthy people

* grab a tennis ball and squeeze it tightly - that's how hard the beating heart works to pump blood

* the pressure a human heart generates is strong enough to squirt blood thirty feet across a room

* all of the blood in your body travels through your heart once a minute

* early indicators that may affect the heart eventually – increased belly fat, sleep apnea, low sex drive (circulatory problem in origin) or poor circulation in the feet such as swelling

* 5% of blood supplies the heart, 15-20% goes to the brain and central nervous system and 22% goes to the kidneys

* the hearts of a man and woman in love will begin to synchronize after the couple has gazed into each other's eyes for three minutes; likewise choir singers sync their breathing which affects their heart rates

* heart health benefits from **every type** of activity: treadmill, lifting weights, walking, yoga etc. 80% of heart disease risk is preventable with healthy lifestyle choices – low salt and cholesterol, lots of rest and play, losing weight, reducing blood sugar/blood pressure, exercise, adequate fresh water intake, balanced diet including Vit D and Omega 3's, managing stress such as with prayer & meditation, having a good social and emotional support system you can rely on, managing addictions. Aim for balance!

Have a wonderful HEARTFELT February...

Quote of the day: "Be the reason someone believes in the goodness of people!"

Our Welcoming Statement

We are a Christ-centred, welcoming community. We commit ourselves to modeling Christ's unconditional love in our worship, learning, fellowship, friendship, and service to others. Just as God welcomes and cares for us, so we welcome everyone to participate in all aspects of our community, without regard to sexual orientation, gender identity and expression, race, culture or ethnic background, physical or mental abilities, family or economic status, gender, or age. We pledge to ourselves and all others that we will strive to live as a reconciling people in our life together and in our outreach to the world.

Augustana's Policy Regarding Designated Offerings:

Spending of funds is confined to Augustana's approved programs and projects. Each restricted donation toward an approved program or project will be used as designated on the understanding that when the need for such a program or project has been met, or cannot be completed for any reason as determined by Council, the remaining restricted donations designated for such program or project will be used for a purpose determined by Augustana Council to be consistent with the spirit of the gift. Remember: when writing cheques for funds that will go through Augustana, make your cheques payable to Augustana Lutheran Church and not directly to the charity who will ultimately receive your gift.

Our Mission Statement

Augustana Evangelical Lutheran Church is a family in Christ. We gather to worship God and to celebrate God's grace received through faith. We are Christians who proclaim the universal lordship of Jesus Christ and, as Lutherans, we believe that we receive salvation through faith, not through our own works. Our congregation aims to serve God and use our different talents in Christian service in our community and the world. Through the Holy Spirit, we draw closer to Christ, spreading His good news and sharing His love through word and deed to foster the continual growth of the church.

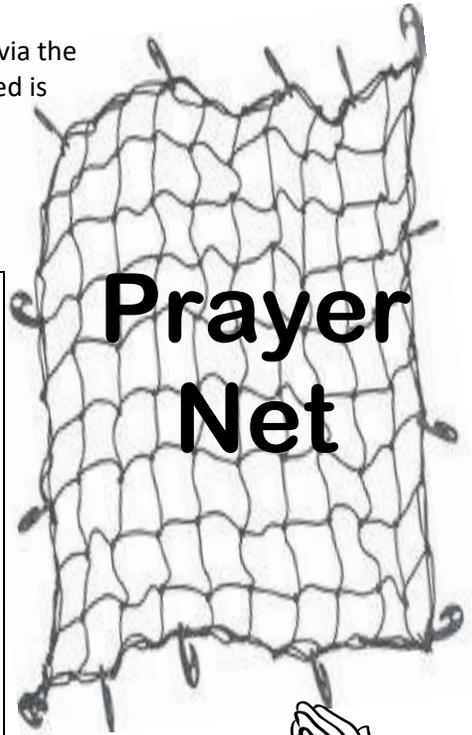

Prayer Changes Things

Prayer Net -- Volunteers on this list will respect the confidential nature of information given to them. As members of the prayer net, our commitment is to .pray for those who ask for special prayers or for those whose need has been made known to us. To activate the prayer net, contact any person on the list; that person

will then spread the information to other members of the prayer net via the internet as soon as possible. When a prayer request is received or need is known, we should pray as soon as possible and as often and for as long as seems appropriate. Prayer is a gift God has given us to use to share joys and sorrows. God hears our prayers. Intercessory prayers, prayers for others, are offered as we follow Christ's example.

CLWR BABY LAYETTE PROJECT

This has been an ongoing project for many years. Last year we were able to make 110 baby layettes. We are well underway preparing and gathering items for this year's layettes. We welcome donations of flat diapers, onesies, undershirts, facecloths, light weight sleepers and nighties. They can be new or slightly used. Place the items in the box marked for that purpose over the coat rack in the narthex. Also, if anyone would be willing to sew a nightie or two, we provide the cut out nighties and directions.

During Lent (Feb. 18-Mar. 31) a clothesline will be hung again at the back of the sanctuary to draw attention to our CANADIAN LUTHERAN WORLD RELIEF BABY LAYETTE PROJECT. Our goal is to place each layette into a WE CARE bag and last year we made 110 layettes. For each \$5.00 donation we can purchase a bag which assists CLWR with overseas shipping costs. A volunteer will be at the clothesline after Sunday services to accept your donations or put it in an envelope, mark it for the WE CARE FUND and place it in the offering plate.

Thank you.

Contact Heather Kleiner for more info.

Please remember all those in need of our prayers .

Church Council Notes

Bryan Tastad—Council Secretary

From the Council Meeting of January 17, 2018

- Council extends its thanks to Sharon Buck (Deborah's sister) for sharing her musical talent at the worship service on December 31, 2017.
- Thanks also to the members of the Fundraising Committee for their hard working in raising money for the Lift Fund. As reported at the worship service on January 14, we are very close to reaching the target. It will happen sometime in 2018!
- General and special offerings to December 31, 2017 were \$209,716 and expenses were \$214,411, resulting in a fund decrease for the year ended December 31, 2017 of \$4,695. There was a deficit of \$17,530 on general funds and a surplus of \$12,835 on special funds. Thank you to members for your generous offerings during the year. If not for unexpected costs of some \$12,000 for new furnaces and a water heater in December we would have ended the year with an overall fund increase.
- Council approved a draft 2018 budget that will be presented to the AGM on February 25, 2018. The budget predicts total income of \$199,461 and expenses of \$212,481, resulting in a fund deficit for 2018 of \$13,020. Once again a key factor in our expenses will be building maintenance. A total of \$21,400 has been provided for this expense line. We know that significant maintenance costs will be required for roof replacement and ramp repair in the coming years but it is not certain whether they will be incurred in 2018 or farther in the future. The budget is a guideline. Actual results will depend on both expenses and your support through offerings.
- Thanks to the members of the 90th Anniversary Committee for making rapid progress on plans for the 90th anniversary celebrations in 2019. Those who have joined the committee so far are Ron Belke, Eileen Carlson, Ida Carlson, Pastor Ken Peterson, Ev Schumacher, Bryan Tastad Larry Trenouth, Karen Wallace, Betty Warren, and Ruth Zuk. If you want to join, please contact any committee member.
- Council needs new members! At the annual meeting on February 25 we will seek to elect four council members for three-year terms and one council member for a one-year term. If you are interested please contact Betty Lloyd or Jim Sharp who are on the Nominations Committee.
- Council approved an expense of up to \$600 to extend wifi coverage to the basement. This is needed to support the giving of presentations and educational programs that rely on internet access.
- Council is continuing a member contact program under which each council member will contact one or two congregation members - either in person or by phone - each month. The aim of the program is simply to touch bases and build our caring community.
- Church council's will next meet on Wednesday, February 21, 2018. If you have suggested items for the agenda, please contact any council member.

**SPIRITUAL
GROWTH**

Spiritual Growth Group
will meet Tuesday, February 13th & 27th
at 7 a.m. at the home of Judy Anderson.

Sunday, February 11 (Transfiguration Sunday) the Choir of Augustana and St. Timothy's will be joined by some special guests—a small ensemble of singers from the Juno-nominated Canadian Chamber Choir. The service will include selections combining our parish choir and the members of CCC, as well as a special choral prelude to the service. The Canadian Chamber Choir is very grateful to the congregation for its support during their Saskatoon stay! Please feel welcome to sit and listen as the full choir (19 in all) rehearses in the Augustana sanctuary at the following times: Saturday, Feb. 3rd, 9:30 a.m. to 9:00 p.m. (with breaks for lunch and supper); Thursday, Feb. 8, 3:00-4:30, (joint choir rehearsal to follow). Note that you can hear the CCC in performance on these occasions: Sunday, Feb. 4th, performing with Saskatoon Children's Choir and Kamala Youth Choir at Knox United Church, 7:30 p.m.; Saturday, Feb. 10, performing with the Saskatoon Symphony and Greystone Singers at TCU Place, 7:30 p.m. (featured work is the mass for peace known as *The Armed Man*).

The J.O.Y. Group
 invites you to join them on
Thursday, February 15th at 2:00 p.m.
 in the Fellowship Hall,

as we "travel" with Carol Kostiuk, our very own parish nurse, to Morocco. Carol will take you through the Moroccan landscape from the medinas of Rabat; the ruins of Chellah; the Holy City of Moulay Idriss; the ancient City of Volubilis and the medina of Fez (with it's intricate maze of alley ways and streets). You will see the amazing sights of the everyday souks; view the amazing sand dunes and camels in the Sahara Desert; take a visual trip to Marrakech (to set the stage, listen to the song "Marrakech Express"); Essaouira - a seaside resort and much more.

Everyone is welcome and encouraged to attend.

*Augustana St. Timothy ELW will meet on
 Monday, February 26th at 7:30 p.m. in the Fellowship Hall
 for their February meeting and Bible Study.
 All women are invited and encouraged to attend.*

AUGUSTANA'S HISTORY

As we mentioned last month with the article about the Augustana Scholarship at the Lutheran Theological Seminary of Saskatoon, each month, leading up to our celebrations of our congregation's 90th anniversary in 2019, we will have something which we hope will interest you. But, I begin with a slight correction or addition to the article about the Scholarship Fund; I now have in my temporary possession a booklet entitled TREASURED REFLECTIONS by Anton A. Nelson, Augustana's first pastor (1929-1945). I now learn that Dr. Nelson did indeed teach one course in English Bible at the (then) Lutheran College and Seminary, located on 8th Street in Saskatoon, a school owned and operated by the then United Lutheran Church in America - Manitoba and Other Provinces (and later Western Canada Synod of the ULCA). He taught an English Bible course for six years (1933-1939) in addition to all the other responsibilities he had (not least of which was being pastor of Augustana). You will learn more about Dr. Nelson and his pioneering exploits in coming months. In addition to Dr. Nelson's TREASURED REFLECTIONS, I also own the book AUGUSTANA LUTHERANS IN CANADA by Ferdy Baglo, someone whom some of you may remember. He of course studied here in Saskatoon at the 8th Street school, served a parish in Saskatchewan (southeastern area), was on the mission field in Africa with the RADIO VOICE OF THE GOSPEL (Ferdy had left a career in radio to enter the ministry), and after serving a parish in Western Canada, at the ELCIC merger of 1985, he became the editor of the Canada Lutheran, a position he held for a number of years.

It might be helpful in these accounts that I use Augustana Synod when referring to the work of the national church body of Augustana, and when it is our congregation, to refer to it as Augustana. I'll try to remember to do that in the months to come. We also need to remember that the Augustana Synod was originally a Swedish Lutheran church body, with some of the early congregations conducting their services (if not all as least occasionally) in Swedish.

I then would like to answer a question posed to me recently: how many congregations are left in Canada of the old Augustana Synod? In my correspondence via email with retired National Bishop of the ELCIC, Don Sjoberg, mainly about borrowing Dr. Nelson's book that I knew he owned, as well as inviting him to be the speaker at the banquet for our 90th anniversary (June 22, 2019), I asked if he could help me come up with an answer to that question. His list was slightly different from mine, but we both came up with 24 congregations who were of the Augustana Synod at the time of the 1962 merger that formed the Lutheran Church in America that are still a part of the Evangelical Lutheran Church in Canada (ELCIC).. We are the only one now that carries the name Augustana (there were three a few years ago). Of those 24, one-third of them are in the province of Saskatchewan. Some others still exist in the sense that the congregation merged with another congregation, and some may exist but no longer are a part of the ELCIC.

Augustana, Saskatoon, as well as Central, Regina, congregations that both I and Dr. Nelson served, received many members from congregations of the Augustana Synod over the years, probably mostly in the 1930's and 1940's, but even recently we have some new folks in our congregation who come from one of those old Augustana Synod congregations. I may miss some, so please forgive me, but among those places (and I'll use the town names rather than the actual congregational name) for Augustana would be Marchwell, Buchanan, Young, and Kinistino, and for Central, Regina, Broadview, Dubuc, Shaunavon, and Stockholm. I know that both Augustana and Central had members from Theodore (members of same family even) as well as Assiniboia. It should be noted that the congregation in Meacham (St. Peter's) actually merged officially with Augustana back in the late 1960's (as I recall) and we have members yet today from that Meecham congregation. While today Augustana is a much stronger congregation than Central in Regina, for much of the lives of these two congregations, Central was the larger, and thus the largest of the Augustana Synod congregations in Saskatchewan.

One last bit of information for this month - the first (and thus the oldest) Augustana Synod congregation in our province is New Stockholm, at Stockholm, SK. Its organizational meeting was held on November 30, 1889, and presiding at it was the Rev. J. S. Ryding. A few years ago, the grandson of J. S. Ryding, a college and seminary classmate of mine (Norman Ryding), came to Saskatchewan with his wife to visit us, and the three of us did a "pilgrimage" to Stockholm. While Pastor J. S. Ryding, like a number of other pastors, came up to Saskatchewan from Minnesota for relatively brief missionary endeavours, his name is linked with what remains the oldest Augustana Synod congregation in all of Canada. Its first resident pastor arrived some 14 years later (1903).
